

RECENTLY DIAGNOSED WITH DEMENTIA

RYDE

The *Recently Diagnosed with Dementia* information session is an initiative of Dementia Australia.

Dementia Australia invites you to join a group information session to find out about the support, services and programs available.

If you:

- have been recently diagnosed with dementia,
- would like an opportunity to ask questions about dementia, or
- would like an understanding of ways to live positively with dementia,

.....then this session is for you.

The *Living With Dementia* program and National Dementia Helpline are supported financially from the Australian Government

THIS SESSION IS FREE OF CHARGE

- This session is for people recently diagnosed with early stage dementia and their care partner.
- This session runs for 2.5 hours.
- Light refreshments are included at no charge.
